

THE RANCH™

An Update Regarding COVID-19

We hope you and your family are staying healthy and safe as we continue to navigate these uncertain times due to COVID-19. With the wellbeing of our staff, guests and community in mind, along with the guidelines set forth by the CDC, federal and local governments, we will be temporarily closing our programs until at least April 23rd and will continue to monitor the situation to determine an appropriate and safe time to reopen.

Guests with existing reservations during this time have been contacted to postpone their stay. We will maintain a direct dialogue with guests should additional weeks be impacted. If you have an upcoming reservation with us and wish to change your stay, please don't hesitate to email us at inquiry@theranchmalibu.com or contact us by phone at 310 - 457 - 8700.

In the meantime, while you are sequestered, please enjoy the online content on our [Facebook](#) and [Instagram](#) pages for at-home exercises, recipes and practices for the mind and body to support you mentally and physically. If you are in the United States, you can also take advantage of our [Ranch Store](#), which will remain open, to stock up on our Complete Greens and healthy snacks to get you through the weeks ahead. Our granola and energy bites are being freshly made by our culinary team using heightened sanitation and hygiene precautions. You can also pick-up a copy of our new cookbook, FOOD FOOD FOOD, for fresh recipes to make while you are at home. For those with auto-ship orders, please contact shipping@theranchmalibu.com should you need to change your delivery address.

We will continue to update you as things progress. We are committed to ensuring our program remains a safe and healthy environment for everyone and we look forward to welcoming you back soon, so we can all continue on our path to better health.

In health,
The Ranch Team
