

10 Wi-Fi-Free Vacation Spots Where You Can Find Zen

Because unplugging is harder to do now than ever.

The Ranch Malibu (Malibu, California)

With zero cellular service on premises and scant Wi-Fi available on a strictly limited basis, the [Ranch Malibu](#) is the place to tune out life's stresses and tune into yourself. Spanning 200 acres in the Santa Monica Mountains, the Ranch sits three miles above the Pacific Ocean and is home to an organic garden, pool and jacuzzi, and "Buddha Barn" yoga studio. But you won't just be sitting around here: Stays include eight hours of low impact activity a day, including a four-hour group hike.
