## What's What ADVENTURE & TRAVEL

The Ranch at Malibu retreat center in California has launched a permanent outpost at the historic Palazzo Fuggi, located in a private 20-acre park in Italy. Known for its restorative waters since the early 14th century, this region (50 minutes from Rome) has been visited by kings, popes, and even Renaissance master Michelangelo. The **Palazzo Fuggi Wellness Medical Retreat** (left) can accommodate up to 25 guests on a seven-night, eight-day stay. The rigorous routine includes four-hour hikes in the Apennine Mountains, strength and core training sessions, yoga, and daily massages complemented by a nutrient-dense, plant-based diet. From \$9,100/person; [theranchmalibu.com](http://theranchmalibu.com)

On June 1, Abercrombie & Kent founder Geoffrey Kent will take 22 guests on a 12-day adventure—**The American West by Private Air** (below). Explore four majestic national parks (Arches, Grand Teton, Grand Canyon, and Yellowstone) and visit some of California's vaunted wineries and restaurants, including French Laundry. Fly over the Grand Canyon in a helicopter, enjoy a white-tablecloth picnic in Yellowstone, and rest assured, a full-time physician is on board. From \$135,000/person; [abercrombiekent.com](http://abercrombiekent.com)

The refined-rustic Hotel Jackson hosts an **over-the-top rodeo and fly-fishing experience** that includes private air to Jackson Hole, Wyoming, VIP seats for the

rodeo, and guided fly-fishing for native cutthroat on the storied Snake River. But first, get outfitted with a bespoke cowboy hat while sipping Wyoming Whiskey. \$25,000; [hoteljackson.com](http://hoteljackson.com)

For long-distance walkers: **The Island Walk** (opened in 2020, 435 miles over 32 days or choose any of the smaller 32 sections) follows the outer perimeter of Canada's Prince Edward Island. Along the way, enjoy endless beaches, gorgeous vistas, quaint small towns, craft breweries, and restaurants serving fresh oysters, lobsters, and scallops. Overnight in country inns. Experience world-class salmon fishing in some of Alaska's most remote and pristine streams only accessible via floatplane. Return for a salmon roe and wine pairing and a tasting of local oysters at **Salmon Falls Resort** (right), which last year launched its breathtaking Misty Fjords Floatplane Flightseeing tour. **The Grand Adventure** (above) offers a modern take on mystery writer Agatha Christie's iconic travels through three itineraries, including Africa. Inspired by detective novel *The Man in the Brown Suit*, the trip includes a stay at the Belmond Mount Nelson Hotel, travel on the Blue Train, gourmet picnic lunches, private vineyard visits, and surf lessons (yes, Agatha Christie surfed). \$7,195/person; [blacktomato.com](http://blacktomato.com) →
